Meet Julie

When Julie and her husband moved to Kenosha, she had her sights set on making a difference and chose to pursue her nursing degree.

Julie began her career at United as a certified nursing assistant and progressed to a student nurse intern while she was completing her nursing degree. She now works as a registered nurse in Surgical Services.

“When I began working at United Hospital System, I instantly felt welcomed into the family. I have received the encouragement and support from my supervisors throughout my schooling and career advancement. Working in a supportive and family-like work environment is one of the many reasons I have continued my career at United.”
